

Everything we know, we learned
in the field. And that's where we'll
be when you need us. Field-ready
pumps, expertise, and service for
water wells, irrigation, water trans-
fer, pressure boosting, and more.

**ABOVE GROUND JET**

Flow Range 5-30 GPM
 Pressure Range up to 80 lbs
 HP Range 1/2 TO 2 HP

**SUBMERSIBLE**

Flow Range up to 1840 gpm
 Pressure Range up to 1500 TDH
 Fluid Temp Range 86 deg F standard

**VERTICAL MULTISTAGE**

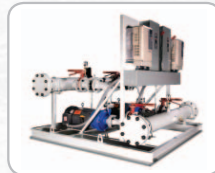

Flow Range up to 1500 GPM
 Pressure Range up to 1640 TDH
 HP Range 7.5 HP to 250 HP
 Fluid Temp Range max temp range
 300 deg F

**VARIABLE FREQUENCY DRIVES**

Size 1/2 To 500 HP
 Power Supply 1Ph & 3Ph,
 208-230/460/575 Volt

**HORIZONTAL MULTISTAGE**

Flow Range up to 127 GPM
 Pressure Range up to 760 TDH
 HP Range 0.5 HP to 7.5 HP
 Max Temp 230 deg F

**CUSTOM MANUFACTURING**

Booster Skids
 Well Screens
 Shrouds

**END SUCTION CENTRIFUGAL**

Metallurgy Cast Iron
 Bronze Fitted
 Flow Range up to 4500 GPM
 Pressure Range up to 500 ft of Head
 HP Range 0.5 HP to 350 HP
 Max Temp 250 deg F

Authorized distributor of these
 and other fine pumping products.
